

INTEGRATED MANAGEMENT SYSTEM POLICY STATEMENT

Arabian Construction Engineering Company (ACEC) one of the leading companies in the field of construction management, trading and Human Resource services is committed to provide quality services to its customers.

ACEC plans to achieve this by developing and implementing an integrated Management System in line with ISO 9001: 2008 and OHSAS 18001:2007.

ACEC will apply innovative efforts to continually improve the effectiveness of the Integrated Management System, by achieving the following objectives.

- ⓐ Timely delivery of its services to its customers.
- ⓐ Compliance to all the relevant legal and other requirements of the State.
- ⓐ To provide a safe and healthy environment in order to ensure safe working conditions to prevent injury and ill health of all company employees and other relevant parties.
- ⓐ Communicate the importance and relevant of this policy to its employees and is made available to all interested parties.

ACEC will also periodically review its Integrated Management System to ensure that it remains relevant and applicable to its activities.
